

FAITHFUL AND TRUE

When our hearts are lonely, Your love comes shining through. You are
 the One and Only, our lips are praising You. How great and wise, our
 Father and faithful in all You do. [^] Let not our hearts be fearful, renew
 Your joy and peace. Though now our eyes are tearful, Your love will
 never cease. Remind us of Your kingdom, when captives, You will release.
 Will we be faithful, determined and true; enduring these trials that we
 must go through. Help us to learn of forgiveness and love--grant us Your
 mercy from Heaven above.

Teach us to be faithful, in all we say and do. May our hearts be grateful
 and learn to trust in You. Strengthen us, dear Father, with courage to
 follow through. [^] Help us work together, in peace and unity. Your truth will
 last forever--when will we come to see, that Christ is not divided--we are
 all one family.

Will we be faithful, determined and true; enduring these trials that we
 must go through. Help us to learn of forgiveness and love--grant us Your
 mercy from Heaven above.
