FOOTPRINTS IN THE SAND

G C D⁷ G
 On long and lonely, sleepless nights, I toss and turn 'till morning light and
 E^m A^m D⁷-A^m-D⁷ G C
 long to rest within Your loving hands. When I am weak and can't go on
 D⁷ G C A^m
 I must remember You are strong; that's when I only find one pair of
 C D⁷-D⁷
 footprints in the sand.

C A^m G C A^m G C D⁷ C
 I'll walk far, anywhere You are. You promised to be there through good

 times or despair. Help me see when You carry me. Help me understand
 C A^m G-G-C-A^m-G-D⁷
 the footprints in the sand.

G C D⁷ G
 When trials come down through the years there may be sorrow, doubts
 G E^m A^m D⁷-A^m G
 and fears; although I know You're there to hold my hand. Sometimes I
 C D⁷ G C
 don't see far ahead, but only storms right here, instead; that's when I

 only find one pair of footprints in the sand.

 good times or despair. Help me see when you carry me. Help me
