SEARCHING FOR PEACE

(A Lamentation)

^E If I could ascend unto Heaven, behold, You are already there. If I make my
^{A^m} bed in the depths of the earth, there to hide, You are aware. If I take the
^{A^m} wings of the morning and dwell in the uttermost part -- where will I hide
^{A^m} from the face of my God, who knows me and searches my heart?

^{D^m} How long must I suffer? Dear God give me peace, help me remember Your
^{A^m} mercies are sweet. Show me the answer -- a way back to You. I'm trusting
^{A^m - D^m - E - A^m}
 You will see me through.

^E You, alone are my God -- my Redeemer. You, alone have control of my times.
^{A^m} It's out of my hands -- I have lost all my plans, now uncertainty darkens and
^{E - E} blinds. Reach down, let me feel You around me, I'll take comfort in knowing
^E You care. I'm sick and I'm weak, now my future is bleak, but I'm trusting
^{A^m} that You will be there.

^{D^m} How long must I suffer? Dear God give me peace, help me remember Your
^{A^m} mercies are sweet. Show me the answer -- a way back to You. I'm trusting
^{A^m} You will see me through. (Repeat) D^m - A^m - E - A^m - D^m - E - A^m
